

check_inactivity_timeout
_dowork

```
graph LR; A[check_inactivity_timeout_dowork] --> B[register_signal];
```

A flow diagram consisting of two rectangular boxes connected by a horizontal arrow. The left box is shaded gray and contains the text 'check_inactivity_timeout' on the top line and '_dowork' on the bottom line. A dark blue arrow points from the right side of this box to the left side of the right box. The right box is white with a black border and contains the text 'register_signal'.

register_signal
