

src/compat/compat-basename.c

```
graph TD; A[src/compat/compat-basename.c] --> B[compat.h]; A --> C[string.h];
```

The diagram illustrates the dependencies of the file `src/compat/compat-basename.c`. It is represented by a grey rectangular box at the top. Two blue arrows originate from the bottom of this box and point downwards to two separate white rectangular boxes. The left box is labeled `compat.h` and has a black border. The right box is labeled `string.h` and has a grey border. This visualizes that the C file depends on both header files.

compat.h

string.h
