

get_server_poll_remaining_time

```
graph LR; A[establish_http_proxy_passthru] --> B[get_server_poll_remaining_time];
```

The diagram consists of two rectangular boxes. The box on the left is shaded gray and contains the text 'get_server_poll_remaining_time'. The box on the right is white and contains the text 'establish_http_proxy_passthru'. A dark blue arrow points from the right side of the white box to the left side of the gray box, indicating a function call or data flow.

establish_http_proxy
